SKILLS

- Languages:** C++, JavaScript, SQL, and PHP.
- Frameworks:** HTML and CSS, Bootstrap, NodeJS, and React.
- Database:** MySQL, MongoDB, and PostgreSQL.
- Soft Skills:** Problem-Solving, Team Player, Project Management and Adaptability.

PROJECTS

Fit Track – Fitness Management System

December 2024

- Developed a fitness management system enabling users to create personalized workout plans, track nutrition, and monitor progress with interactive visualizations.
- Implemented secure user authentication, role-based access control, and real-time progress tracking using PHP and MySQL, ensuring data integrity and seamless user experience.
- Designed and optimized a responsive UI for cross-device accessibility, integrating intuitive dashboards for trainers and users to manage fitness routines efficiently.
- Tech:** PHP, MySQL, CSS, Bootstrap
- GitHub Repository Link:** <https://github.com/Shivraj4200/Fitness-Management-System>

Appointment App – Appointment Management System

December 2024

- Developed a React-based Appointment Management System with authentication and role-based access for users and admins.
- Implemented dynamic appointment handling with add, edit, delete, and clear functionalities using React state management.
- Integrated React Toastify for real-time notifications and React Router for seamless navigation.
- Tech:** React, React Router, CSS, Bootstrap
- GitHub Repository Link:** <https://github.com/Shivraj4200/Appointment-Management-System>

Weather App

May 2024

- Built a real-time weather application using Node.js and Express.js to retrieve and display weather data.
- Incorporated Open-Weather API to fetch weather details based on user-input city names.
- Configured CORS to enable secure cross-origin requests for seamless front-end integration.
- Tech:** Node.js, Express.js, Open-Weather API
- GitHub Repository Link:** <https://github.com/Shivraj4200/Weather-App>

CERTIFICATES

- | | |
|---|---------------|
| • Introduction to MongoDB (For Students) by Mongo DB. | December 2024 |
| • Cloud Computing by NPTEL | November 2024 |
| • React JS by Infosys Springboard | October 2024 |
| • Data Structures and Algorithms by Geeks for Geeks. | July 2024 |

ACHIEVEMENTS

- 50+ questions solved on LeetCode.
- 400+ questions solved on GeeksForGeeks with institutional rank of 422.
- Achieved a 5-star rating in problem-solving on HackerRank by solving complex algorithmic challenges.

EDUCATION

- | | |
|---|-------------------------------------|
| • Lovely Professional University
Bachelor of Technology - Computer Science and Engineering; CGPA: 7.65 | Punjab, India
Since 2022-Present |
| • Sant Atulanand Residential Academy
Intermediate | Uttar Pradesh, India
2020 |
| • St. Mary's School
Matriculation | Uttar Pradesh, India
2018 |
